

SARA III Tier II Reporting

The McKinley County Local Emergency Planning Committee (LEPC) would like to remind you to file SARA III Tier II Reports before **MARCH 1, 2013**.

The State requires all Tier II Reports be submitted on disc via the '**Tier2 Submit 2012' software** from the Environmental Protection Agency (EPA).

New! McKinley County is accepting Tier2 Submit 2012 submissions (must be Tier 2 format) via email: oem@mckinley.nm.us

The Tier2 Submit 2012 software and Submission Guide can be downloaded here:

Under Section 311 of Title III of the Super fund Amendments and Reauthorization Act (SARA), copies of MSDSs for chemicals that require reporting, or a single list of all those chemicals requiring reporting, grouped by hazard category, must be sent to the State Emergency Response Commission (SERC), LEPC, local fire department, and applicable tribal agencies. *(Note: if you use the Tier2 Submit software and send your report to the State electronically, you do **not** have to also send MSDSs.)* Under Section 312, the specific Tier II data on all chemicals requiring reporting must be sent to the SERC, LEPC, local fire department, and applicable tribal agencies.

The McKinley County LEPC receives no operational funding. The LEPC activities are supported through your contributions. This assistance is used to provide services to the local community for emergency response planning and education. With your 2012 reporting, we are requesting a contribution matching your amount sent to the State, payable to the McKinley County LEPC.
